“ Cheryl, Steve and Family - Barb & Harold have been such a big part of my life and are a cherished part of so many of my childhood memories... all through school, the track meets, the cross country meets, riding up to LaCrosse for college in the back of their van, Parent's Day visits and all the incredible good times we shared over the years. So many laughs and fun times, all the photos... They were a beautiful, loving couple and an inspiration to many. My heart goes out to you at this time of passing. It gives me comfort and I hope it gives you comfort too knowing they are eternally together now, at peace and with their loved ones who have journeyed home before them. With Heartfelt Sympany, Cathy
