“ Sending my heart felt condolences to all of Hannalores family and friends. I met her back in the early 2000's while employed at Goodwill. She was one of my favorites. I will miss her smile and her wonderful sense of humor. R.I.P old friend. Until we meet again.

“ Sue, Joe, and family. Sending thoughts, prayers, and love your way. We wish we could be there but because of our age and COVID, we will be unable to come. We will always remember Hannalore as a kind and caring woman who loved her family over anything else. She will be missed but remembered always. May your memories give you comfort during this difficult time. Rest in peace Hannalore.
