“ I am sad to hear of Jan’s passing. I first met her at Parkway Hair Fashions. She was a wonderful and caring person. Jan was always willing to help care for my Mom. After we moved up north, we talked frequently. I will miss her dearly.

“ I am sorry to hear Jan has passed. My son and I lived across the hall from Jan. She was such a beautiful person. We would check on her periodically and my son was always helping her with garbage and groceries. She was another grandma to him. And she adored our dog, always offering to babysit him if we needed! Loved our conversations in the hall. She is dearly missed!!

“ Jan was my cousin and I loved her dearly. I'm having a hard time realizing that she is no longer with us, although I know she is in a better place.

Jan was one of the kindest people I've known and she had a heart of gold. Over the past few years, we tried to talk about once a month, so I knew her health was failing. I just didn't realize the severity.

Jan was not active in a church, but she lived her life close to God. I'm sure she's now in heaven.

“ I'm so sorry to hear of Jan's passing. We met in high school and have been friends over the years. Whenever we saw each other we used to have a long conversation about the old times. I didn't get to see a lot of her the last few years but always enjoyed seeing her. She will be missed.
