“ To Jean's family,

My sympathy to you as you say goodbye to your mom. I was a high school classmate of the twins, they were best friends of mine, we had the same birthdate and celebrated many parties together. I have lived in Iowa for 63 years so haven't kept in close contact, but last Sept when our class celebrated 65 years I had a long visit with both Jean and Janet. I'm so glad that happened. Special memories.

“ So sorry for your loss. Many great memories of your Mom from the reunions at the cottage. I was able to reconnect with your Mom and Dad when I worked at Kennedy Elementary when they attended their grandchildren's events...they always took the time to stop in the office to say Hi....very kind and caring. My thoughts are with you during this difficult time. Take care. Kathy Muhs

“ I always enjoyed our family reunion at the cottage every summer. we used to have such nice visits and catch up on all the news, Jean was always smiling and when I was younger it used to be fun to try and tell her and her twin Janet apart. I know she will happy to be with "Chris" now. She was an easy person to be fond of...Love and prayers to her family

“ I worked with Jean at Beloit Turner for many years. She was kind, thoughtful, and was always happy. She was always interested in what was going on with my family and shared many stories about her beloved children and grandchildren whom she was very proud of. We had a connection because Chris was my husbands football coach, track coach, and drivers ed teacher. She was always there supporting Chris when he was joking with us about it. She has greatly loved by everyone.
