“ Kevin and Julie, I am so sorry about your mother. I was looking up my aunts obituary in Beloit and came across your mother's. I still remember times together at your house on Avon even though I was six when we moved away. Whenever I would come back to visit, I was always warmly welcomed to your home by both of your parents. I know your mom will be dearly missed, just as your dad is. My condolences to both of you.

“ Joan had such a pleasant personality and she always made you feel at ease. She and Vern were the best neighbors anyone could ask for, always a smile and very helpful people. My condolences to her family. She will be greatly missed.

“ I loved going to her house with Kevin and Nancy. She and Vernon were so sweet and funny. She had good cookies when her Grandchildren Kim and Jason were little. She loved you all so much. She volunteered at Beckman mill and I loved to see her there. She always had a smile and a kind word for me. Always proud to tell me what you all were up to! I always let her even when I knew what you were up to.
