“ Dear Deb, Curt, Misty, Dirk, and families,I am so sorry to hear of Kens passing. God was ready for Ken to fulfill a new beginning. We may never understand the death of a loved one at such a young age, but Kens love of life and family and all those who had the privilege to know him, know we have lost a very special man. Ken made all the campouts special with his gourmet fire cooking and stories. He may be gone from our sight, but will not ever be forgotten if we share the stories of his life each and every day. He has gone through so much, and god called him home to be at peace. God Bless and take care till we all meet again
