“ Bruce & Brian. You have my deepest sympathy in the loss of your mom. We didn't visit a lot, but she was one of my nicest neighbors. Rest in peace, Linda

“ Aunt Linda was an absolutely amazing woman. I wish I had more time with her. I often wonder what if I hadn't moved back to Nebraska.... I would have had all that extra time with her and Uncle Dick. And my family history that I always asked her about , maybe I would remember more. She was a wealth of information and full of Love. She shared so many stories about my grandma and my father, about my other aunts & uncles and cousins. She touched so many lives and had so much love to give. I'm so thankful for her being in my life and being in Sarahs life. I remember dinners and she always had made a yummy dessert. She took her great great niece (Sarah) to the mall, to the park and painted rocks. I pray she watches over all of us and guides us so that we can make her proud. One day we'll see you again & I can't wait for that hug.
