“ Donnie Lee and Jennifer,
I am so sorry for your loss. Your devotion to each other as a family was a shining light around you, clear to all who saw you together. Mariann passed knowing that she was, and always will be, loved. May that knowledge and the warmth and joy of the memories you made bring you comfort now and in the difficult times ahead.

“ So sorry to hear of Mariann’s passing. She was a great coworker and friend to all. She weathered her own health concerns with strength and grace and was always more concerned about how others were doing during their life challenges. She was a gem!

“ You were a very special co-worker but a truly lovely person. She never complained and always worrying about other peoples problems. There will never be another person as special as she was and she will be missed by many. It is too bad she had to suffer over these last few years, but she was a fighter. Jennifer, you are so much like her, she did a good job raising you, hang in there. Mariann rest in peace, you will be in my prayers.

She always put everyone first before herself. She will be missed by so many people who cared about her. Love Renee and Rube
