“ Mary was quite a Matriarch. She was never at a loss for words and when she spoke, people listened. It was fun to listen to her unfiltered advice. She lived a long life and shared her wisdom. I will miss her great smile and zest for life. She's one of the great ones. Rest In Peace Mary. There is no doubt you are in heaven with those who have gone before you

“ I have had the pleasure of knowing Mary and her family for almost sixty years. Over the course of that time, I played baseball for Ethan, football with Steve, coached Jeff in Legion Baseball, and had many interactions with the entire family. Mary was a great matriarch who guided her family in so many ways. Her compassion and love of people carried over to those outside the family and I am one who felt blessed by her presence in my life. I extend my heartfelt condolences to her wonderful family.

“ Our condolences to the Hanaman Family and Mary's network of loved ones. Mary always was inspiring every time we saw her. There were times Jean and I would take a little detour off our usual "non-winter" drives to go by the Hanaman house to take a chance to see her outside working in the yard. She was one tough old lady that represented that Hanaman name very well.

“ I was deeply sorry to hear about your Mom's passing. She was the kindest most generous person I knew. When I think about your family I think about camping and all the fun we had. Those were some of the happiest a most carefree days of my life and your family played a big part in that. I will never forget your Mom and will always remember her smile and her laughter.

God bless all of you

“ Very sad to hear of Mary’s passing. She was a wonderful kind lady who I feel so blessed to have had as a church friend. I often would not sing in church when sitting next to her so I could just hear her. I also have many fond memories of breakfasts with Mary after church. Mary will be missed.
