“ My sympathy to Oscar's family. I was matron of honor at June and Oscar's wedding.  
June had been matron of honor at my wedding. I knew June from working at  
Warner's. June and Oscar loved to dance. Every once in a while I would run into  
Oscar and Ted at Family Restaurant after June passed on. It was good to visit with  
them for a few minutes. Now he is reunited with June in Heaven.

“ My step-father Oscar is one of the four angels in my life. Even my half sister Joanne, from my biological dad, calls Oscar my Dad because of the terrific influence he's been on my life since I was 12 years old. I learned about Oscar's cross-country running and speed skating, his love for athletics and the outdoors in any season. I carried that into my own life, especially his love of the canoe and feeding the squirrels and birds. Oscar said the most enjoyable part of his one trip to Boise was me taking him in my canoe down a stretch of our river with some whitewater, with him steering and me shouting instructions. Oscar liked the outdoors so much, in the middle of winter he would grill dinner outdoors. For indoor projects, he would sew anything needing it, made homemade buttons for my new native American sweater, and fabricated a grocery basket for my handicapped Segway. He was always providing for and helping others, making everything fun. He's the one who taught me love. His great upbringing and healthy lifestyle is what made it possible for him to live a long life. In everything I've ever done in my life, you can see a part of Oscar. Love always, Bruce

“ Fond memories of Uncle Oscar. Always ready to chip in entertainment games at family get-togethers. I remember watching films, when younger, of him speed skating. He loved fishing and camping. A great guy who was always chipper. Easy to smile around him.
