“ Ray, I miss you with all my heart. I am grateful for the wonderful memories and special times we spent working in my yard. Cutting down big trees before Mike got home. Setting on the porch with mixed drinks. I've always said “you are my brother from another mother.” Sadly missed by Mike and Donna

“ Ray and I were best friends since Kindergarten. Our fathers worked together, and our families shared many holidays together since we were from Panama City, Florida area.
