

Sarah "Sadie" Sciacca

August 25, 1927 - May 8, 2021

Sarah "Sadie" Sciacca, 93, passed away Saturday, May 8, 2021 surrounded by her loving daughter, Ginger and loving grandson, Travis. She was welcomed into the open arms of her beloved husband, Nick.

She was born on August 25, 1927, the daughter of Vincenzo James and Vincenzina Marrone. Sadie married Nick Sciacca on September 20, 1947. He predeceased her on November 16, 2017.

Sadie was formerly employed by Lakeside Fusee Company then Freeman Shoe where she retired after 35 years. She and Nick were inseparable enjoying life together. Her love was unconditional. She was an extremely devoted mother and grandmother, nobody or anything came between her family. She loved to crochet and fish with Nick. She always insisted on keeping the yard manicured and would not let anyone else do it, we always chuckled about that. She took great pride in her home and was very meticulous.

Survivors include her daughter, Ginger Rozelle; grandchild, Travis Love; nieces and nephews.

She was predeceased by her mother, Vincenzina Marrone; father, Vincenzo James Marrone; brother, James Marrone; sister-in-law, Birdene Marrone and Rose Quackenbush; mother-in-law, Dorteia Sciacca and father-in-law, Peter Sciacca.

Her enthusiasm for life, her great smile, loving and caring heart will be so missed by her daughter and grandson.

A Memorial Service for Sadie and Nick will be held at a later date.

“ I worked with Sadie for many years at Freeman Shoe Company. She always had a smile and a kind word for me. We shared many laughs over the years. I would run into her and Nick on occasion after she retired, and I always got a smile and a hug, and we would talk about all that has gone on since she retired. My prayers for you and your son as you grieve, but you know she is at peace, and with her beloved Nick. What a wonderful reunion that had to have been.

“ Beautiful Lady who always welcomed Gingers friends to her home. Sadie lightened the room up with her laughter. Sadie was a once in a lifetime lady who was easy to love.

“ Thoughts and prayers are with you, Ginger, knowing how close you are with your mom and dad. Take solace in knowing that they are together now for their next journey, they have always done everything together. Know too, that you did everything you possibly could to make their lives blessed, happy and full of love, making it possible for them to remain in their home that your dad built. And Travis, you as well, stepped up to be there, selflessly, staying by your mom's side to take care of your grandparents, as they helped you. Your grandpa is so proud of you, that you so gently and patiently took such good care of your Grandma, they are both smiling.

“ Shirley thank you for your very kind, caring words for both myself and Travis. Without my son doing everything, bathing her cleaning the messes, healed her wounds, and all day and night giving her water by spoonful's so she would not dehydrate. That's a lot of care day and night for 4 years. With my bad back I could not do what he did. the last 3 years when she could barely stand he lifted her day and night to transfer her to the commode and into the hospital bed. He took her for rides outside in the summer all the time until she no longer had interest to go. Without the both of us she would have never survived 4 years after my dad passed. I took care of everything else, not to mention sitting by my mother day and night if I wasn't busy with something else. She loved being in her home and with the both of us. It was not easy at all but we got through it out of the love we had for her and my father. Thanks again Shirley.

“ Mom, First and foremost I can't believe time went this fast for us to part. I will always remember from the bottom of my heart how you taught me so many things a girl should be taught so that when she is old enough to leave the nest, she can take care of things. What a great mentor you were. I will also cherish all of our times and outings together when dad had to be out there entertaining crowds of people who loved his music. We you and I had so many great times, shopping as if you were my age and a girlfriend instead of my mother. I have very many happy memories of you mom that will never be forgotten. You will be in my heart forever until I take my last breath and meet you and dad in eternal life with our Lord. Rest in peace mom...LOVE YOU WITH ALL MY HEART AND MISS YOU TERRIBLY!
