“ Steven was well liked here in our community of Montrose Colorado. In the short time Steven was among us he had a casual association with his neighbors. Judy's and my heart go out to Steven's family. Members of the area have been coming by to pay their respects and share a story or two about their encounter with Steve. He will be missed but Judy and I have gained great friends in Mike, Bev and Kelly. Thank you all for letting us be a part of your time of need!8

Dear Tom and family,  
I'm so very sorry for the loss of your brother. It's hard losing a sibling and I see that you've already lost a brother previously. I lost my older sister many years ago and I've never really gotten over that loss. My thoughts and prayers are with you and your whole family, Tom!
