“ Niki & Sean, your Father and I go way back to Steuben, Wisconsin we were kids at the outdoor free movies watching westerns. He was full of mischief, and good looking and we liked each other. He would toss sand at me and I would run after him. This was called flirting and teasing in the old days. Oh, I am the sister of Delpha Groom my name is Karen. Rest in Peace....

“ *Uncle Vince you will be missed! I remember the trips to Daugherty Disk Grinder as well as your 35 Ford. Family picnics and you would make homemade ice cream. You're now at peace and no more pain and holding Aunt Deanna's hand.*

“ It's not easy to make close friends when you get older but we managed to do that with Vince and Deanna. Our mutual interest in the American Legion, the South Beloit Historical Society, visiting casinos and our love of playing cards brought us together. We will forever cherish our memories of all the times shared with them. Sending our deepest condolences to Niki, Larry, Sean, Luc and the rest of the family. May you both Rest In Peace.
